### Purchase Order Instructions

- If the purchaser is the ultimate end user, check the box indicating such. It is not necessary to fill in the ultimate end user's information if it is a duplicate of the purchaser's information.
- If you are a retailer ordering items for a specific customer, than that customer is the ultimate end user. That end user will need to sign the purchase order.
- If you are a retailer ordering items for general retail sale, then you are the ultimate end user. You may identify commercial resale as your end use.
- Orders for firearms must specify the make, model, firearm type, caliber, quantity, and dollar value of the firearms ordered. For example:

Brownells SKU	Description	Quantity	Unit Price (USD)
078-000-402	Brownells model BRN-16 semiautomatic rifle chambered in 5.56x45mm	1	\$1299.99
100-018-610	Aero Precision model AC-15 semiautomatic rifle chambered in 5.56x45mm	1	\$629.99

- Orders for barrels, frames, or receivers should have the name, make, and model number specified in addition to the Brownells SKU. Model numbers can generally be found on the Brownells webpage, but in cases where it is not available you may list "no model number" For example:

Brownells SKU	Description	Quantity	Unit Price (USD)
100-023-757	Silencerco model AC2291 9mm pistol barrel	1	\$199.99
953-000-018	Aero Precision model APAR501101C stripped rifle receiver	1	\$89.99
787-264-090	Shilen 6.5mm unturned barrel, no model number	1	\$158.99
